

HOW TO GET HERE

By Car

From the Basingstoke ring road, drive to Hackwood Road roundabout and take the exit marked Hackwood Road. Take second exit at roundabout (A339) and head out under the motorway bridge. Take right hand filter lane to Cliddesden, Alresford and the Candovers (B3046). Follow this road for approximately 1 mile into the village of Cliddesden. The Barn is located on the left hand side about 100 yards past "The Jolly Farmer" pub. Turn left at the end of the barn into our car park (beside the village pond) and buzz on the intercom for access.

By Train

We are only 45 minutes direct from Waterloo and 20 minutes from Woking. Once you've arrived in Basingstoke, grab a taxi from the rank outside the station and ask for the "Black Barn in Cliddesden" - it's a 10 minute journey. Alternatively, telephone us in advance and we will come and collect you.
